OFFICE OF THE GOVERNOR  
HARRISBURG

THE GOVERNOR

**GREETINGS:**

It gives me great pleasure to extend my personal regards and congratulations to E. B. O'Reilly Servicing Corporation as you have achieved the prestigious designation of STAR Certification through the Mechanical Service Contractors of America, and are also the first in the Nation to receive The Shooting Star award for your excellence in STAR Marketing.

Throughout your public service to our commonwealth, you have provided Philadelphia's facility managers and building owners with the highest level of skill, technical expertise and professionalism in the industry. By receiving STAR certification you are exemplifying the stringent list of requirements that scrutinizes the company's reputation, safety program, experience, and training programs. It is my hope that you will continue to serve our commonwealth with distinction for many more years to come.

As Governor of the Commonwealth of Pennsylvania, I thank you for your years of service and congratulate you on receiving STAR Certification and The Shooting Star Award for your excellence in STAR Marketing. Best wishes for continued success in the coming years.
